

# Residence Hall Information

New student room assignments are processed on a rolling basis. Each student will initially receive her room assignment and roommate(s) information via email to the email provided in the online housing application. Room assignments may also be viewed on the student's web portal.

If you have questions about housing, please contact us by email at [housing@spelman.edu](mailto:housing@spelman.edu) or phone at (404) 270-5344.

**Share your room successfully!**  
Think about personal items that will help you respectfully compromise with your roommate (earphones, sleep mask) when your lifestyles don't match up.

## Personalizing your space is great!

Just remember, some things will have to wait until you can measure in your room for exact dimensions (carpet, windows).

## Conserve space!

Discuss what items you and your roommate(s) can share (TV, Stereo, Fans, etc.)

## Things To Think About:

- Throw rugs/carpet
- Window coverings
- Bicycle and lock
- Sleep mask
- Telephone

Spelman College residence halls reflect the history and tradition of the College. No two rooms are exactly alike, so it is impossible to give dimensions of specific rooms or features within a room.

- Every room is equipped with cable, internet and telephone service.
- Every room has a bed, dresser, desk and closet or wardrobe for hanging storage for each student assigned to the room.
- Beds typically have extra-long twin mattresses and mattress pad.
- Shared microwaves and refrigerators are available in each building.

## WHAT TO BRING:

- |  |                        |
|--|------------------------|
| • Computer, Printer, Accessories                         | • Alarm Clock          |
